DETAILED ACTION

Allowable Subject Matter

1. Claims 1-9 are allowed.

The following is an examiner's statement of reasons for allowance:

- The primary reason for the allowance of claims 1-9 is the inclusion of the limitation of cover comprising a tongue is formed on the side surface of the first metal cover and wherein the second cover is formed with a brim covering at least one side surface of the first metal cover and with a hole at a position corresponding to the position of the tongue of the first metal cover. It is limitation found in each claims, as it is claimed in the combination, that has not been found, taught, or suggested by the prior art of record which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
